With Almost New Team, Danville Drops Game to Petersburg.

Petersburg.

Danville, Va., June 3.—With almost a new team, Danville to-day dropped the first gaine to Petersburg by a score of 8 to 2, mainly through the poor pitching of Harry Griffin, who, after the first three innings, was hit bard. Vance was effective, and was given magnificent support, notably by Eichburger and Busch. Danville's new talent showed up fairly well, but could not hit Vance when hits counted. Three last double plays pulled off by the visitors killed chances to score by the locals. The fielding features of the game were magnificent catches by Johnson and Eichburger, Griffn weakened in the final innings, spoiling what would have been a pretty contest. Score:

Optimistic Reports Have Small Effect Unless Accompanied by Hard Cash to Liquidate

and the street and dependent of the control of the Fittsburgh advises that Captain Marshall Henderson will be here Wednesday night or Thursday, but no message has been received from him telling of his proposed visit, if he waits that iong his journey will be in vain, unless he wants to take the job of securing another bail club for Richmond. By that time every member of the local outfit will either be at home or signed with some other club. They are thoroughly tired of waiting without any prospects of being paid. They want what is coming to them before they will play another game. Richmond had a good baseball club, composed of men who are capable and who have always earned a good salary. They can do the same thing again, and they are not going to remain iele, waiting to find out whether a pet acheme of certain individuals is going to pan out.
